Great.....!!! you cleared 2nd step

Select the Location

Now Raj is sure that Treasury is in the Forest.
But where to search for the treasure in such a huge Forest???

Maps says that Treasury is in one of the following locations!!!.

Make a wise decision so that you would not reach a dead-end.

- Cave

The treasure might be in the cave...!! , Because their are several stories that relates to the treasury stored in a secret cave.
And also their is a saying that the treasure is guarded by snakes that would allow only Raj's family members.

- River

The treasure might be in the River...!! , Because their is a talk that Raj's ancestors kept the treasure in the river bank to safe guard the treasure from thieves.

- House

The treasure might be in the House...!! , Because their is a gossip that ancestors of Raj are guarding the treasure in the haunted house and whoever went to the haunted house to steal the treasure have never returned.
